PRINCIPAL'S UPDATE

Hello Currumbin families,

In the last week of term 1 we were saddened to hear the news a respected member of our Indigenous community, and supporter of the school, tragically lost his life in a motor vehicle accident. On behalf the school community I'd like to pass on our condolences to his family and friends.

P&C AGM

The P&C Annual General Meeting was held on Monday 27 March to form a 2017 executive. I am pleased to say that our new executive:

- President – Kaylee Campradt
- Vice President (Community Engagement) – Lisa Goyne
- Vice President (Operations) – Chris Murphy
- Secretary – Justine Harris
- Treasurer – Janet Suttle
- Traffic Committee – Lisa Goyne, Naomi Caines & Justine Harris

I'd like to acknowledge and thank the outgoing executive for all of their hard work over the last twelve months and also congratulate the new executive. I look forward to working closely with them during 2017.

The next general meeting is scheduled for Monday 15 May 2017.

Traffic Concerns

Traffic congestion continues to pose a safety hazard to our students. Of concern to us are the number of drivers not following the rules in our designated 'kiss and go' areas and also parking in no stranding zones. In order to keep our students safe we ask that all drivers please comply with the parking regulations. We are currently in the process of forming of forming a Traffic Safety Committee, any parents wishing to be part of this committee are asked to please email the school at admin@currumbiss.eq.edu.au to indicate their interest.

Class Visits

Over the course of the term myself and the Deputy Principals have had the pleasure of visiting each of the classes most days. We have been most impressed with the quality of teaching that we have witnessed and have enjoyed seeing the way that our students have been applying themselves and giving their best. Well Done!

Hand Foot & Mouth Disease

Please read the information flyer for Hand Foot & Mouth Disease by clicking on the link below. If your child has a confirmed case please contact the school. Any children with hand, foot and mouth disease should be excluded from school until all blisters have dried. For further information contact your local doctor or call 13 HEALTH (13 43 25 84).
